Helen Arceneaux

- ✓ Greets students in the hall
- ✓ class start & gives students 2-3 minutes to finish up Friday's work. Helen walks around to help.
- ✓ Speed - Velocity - Acceleration. - ILP Tie tac-Toe. Gives great directions on ILP - Give stamps when finished. Excellent instructions
- ✓ Classroom ~~management~~ atmosphere is amazing. You are in control but great student rapport.
- ✓ All students up to well on the activities. This gives students a chance to work together or individually. Great learning activity.
- ✓ Amazing that all the talking in the class was about the Science
- ✓ Great power point you put together. A great deal of work for one class period.

✓ Great job with our ILP. Students
seen very comfortable with the
activity.

✓ Great Report with 5 students

You remind me of a 5-6 year
+ teach with your confidence
the classroom.

So proud of you.
